## UNIVERSITY ANTHEM

UST, UST we sing of thee  
Flower of knowledge and Peace  
In the Garden City stands a tree  
From whence inspiration comes  
The people of many a tongue  
Come and search and find the Golden Fleece  
All for a simple and humble song  
All for excellence and creativity

UST UST we sing of thee  
Flower of knowledge and Peace  
Busy we all toil as the bee  
Fruitful, science and tech we grow  
Keep in motion the wheel of truth  
Waters of the rivers always flow  
To build a Nation in truth  
All for excellence and creativity

## NATIONAL PLEDGE

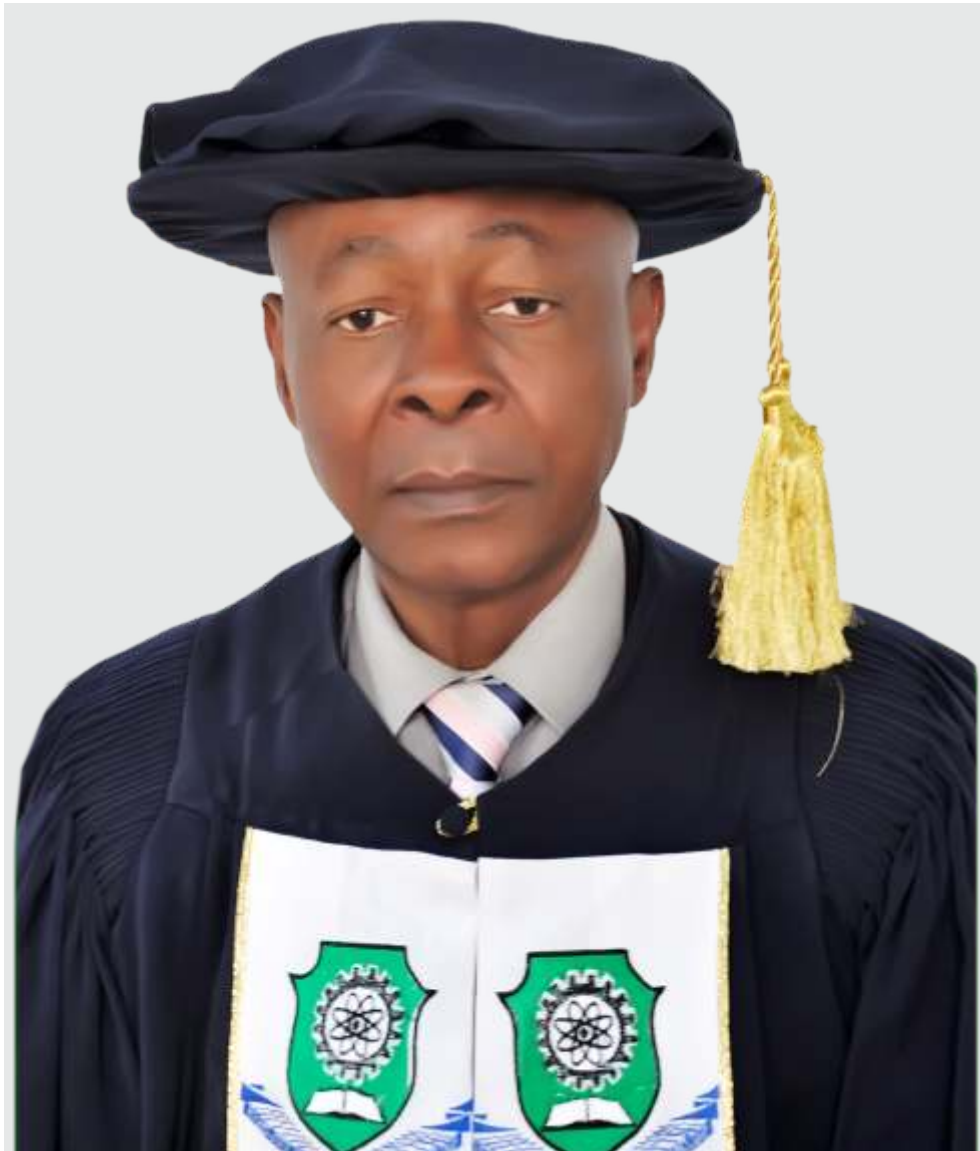

I pledge to Nigeria my country  
To be faithful, loyal and honest  
To serve Nigeria with all my strength  
To defend her unity  
An uphold her honour and glory  
So help me God.

# Rivers State University of Science and Technology

Port Harcourt, Nigeria *A transforming university*

The aspiration to improve the socio-economic standing of the Niger Delta region occasioned by the discovery of crude oil in the late 1950s is closely linked with the history and establishment of the Rivers State University of Science and Technology (RSUST).

RSUST located at Nkpolu-Oroworukwo in Port Harcourt, Nigeria, was established in October 1980. The University has 1,772 employees and a student population of 16,398. RSUST is ranked 12th out of 124 universities in Nigeria.

## Our mandate

- Produce scientific and technical manpower for essential development
- Produce technical and science teachers for developmental programmes
- Assist in the industrial and other developmental programmes through consultancy services, special project centres and related activities
- Encourage the advancement of learning to all
- Provide courses of instruction and other facilities for the pursuit of learning in all the faculties and institutes
- Encourage and promote scholarship and conduct research in all fields of learning and human endeavour
- Relate its activities to the social, cultural and economic needs of the people of Nigeria
- Undertake any other activities appropriate for a university of the highest standard.

## Faculties/Schools/College

Agriculture, Engineering, Environmental, Sciences, Law, Management Sciences, Science and Technical and Science Education, College of Medical Sciences and a Postgraduate School.

## Institutes

Institute of Foundation Studies, Pollution Studies, Education, RIART, Geosciences and Space Technology.

## Centres
