#### G. MOVEMENT OF STUDENTS

For security reasons, the school operates a very strict policy on the movement of students in and out of school and around the city. Students are conveyed from the hostels to school and back with the

school bus shuttle daily. Therefore, students will not be given exeat to go outside of the school or hostel premises.

#### H. STUDENTS FELLOWSHIP

As an institution, we are committed to the students' total future development and therefore, conscious of producing God-fearing students in a God-centered environment. Therefore, the spiritual, intellectual, social, and physical development of all students is our primary focus. In this regard, the school has an interdenominational chapel with itinerant preachers from all denominations. The Christian students hold their service on Sundays in their respective hostels between 9am-12noon while Muslims students are transported to the nearest mosque for Jumat Service on Fridays.

***\*Parents/Guardians are advised to take a look at the subject combination for the course of their wards in order to assist in the purchasing of textbooks.***
