

Clarification on payment of fees/charges for 2023/2024.

- 1) I write to inform all returning students, (years 2, 3, 4, 5, and 6) for avoidance of doubt that there is no increase in fees/charges in this session (2023/2024) as compared to that of 2022/2023 session.
- 2) The policy of part payments introduced by the VC still stands.
- 3) Those that can afford to pay all at once can go ahead and do so.
- 4) For those that can not pay all at once should pay 50% of the total in first semester and the remaining 50% in second semester of this session, 2023/2024, to maintain the policy of two instalments
- 5) However, all fresh students must pay full fees before matriculation.
